

Special Funds

We have many different funds you can support, which provide additional support for ministries within our church, our local community, and abroad. Pick an area where you'd like to make an impact. Then make a donation in any amount you wish.

Parish Discretionary Fund

This fund is administered by the Sr. Pastor, and is used to meet the needs of people in crisis in our congregation. Use of the fund is kept confidential (but is audited by the Executive Directors of the church). When someone becomes sick or loses a job, we can be there to help. People supported through this fund are asked to help replenish the fund when they are able.

Outreach Fund

Monies in this fund are used to help both our local outreach groups, such as Koinonia in Franconia, the United Community Ministries of Alexandria, and our overseas partners in Guatemala, Tanzania and beyond. These funds are administered by the Leadership Team. You can also make contributions for specific groups, such as Koinonia, in your weekly donations by making a check out to the church but including instructions on how you want your donation used. Some members have started doing this weekly or monthly with their electronic donations through our website.

Memorial Gifts

Donations may be made in memory of a loved one, as well as in thanksgiving for a birthday, baptism or wedding. Memorial gifts from many sources can be pooled and used to purchase a particular item or fund a special ministry at the direction of a family. (We do not, however, place memorial plaques in the church building to commemorate these gifts.)

2008 Wish List
