**Kingstowne Community Church**

### Request for Holy Matrimony

Please fill in this form and give to one of the Pastors.

Prior to being married in the church we ask that either the bride or the groom be a member or attend church services at *The Spirit*.

Weddings are a sacrament of the church and so are open to those who are part of the church. At this time, we do not perform wedding services for people who are not a part of our worshipping community.

On the other hand, we do not charge any fees for weddings (unless you ask for musicians to play for the service ... or the spare magician, juggling act). If you are a part of our community, our services are free. Just like God's blessings.

Please be sure to read our brochures: "About Weddings" and "About Remarriage" for more information about how to plan your wedding. Also please make sure you speak with the pastors before renting a reception space to make sure the date you have chosen will be available to you ...
